Dear Parents & Guardians,

On Tuesday, January 24th, we were made aware of verbal threats of violence made by one student towards others. We were able to assess the situation immediately and determine that there was not a present threat to student safety. We also requested the assistance of Globe Police Department, who aided us in making that determination.

There is zero tolerance for violence at Liberty High School. As it states in our Parent & Student Handbook:

"Physical, verbal or other violence of any sort will not be tolerated at Liberty. This includes threatening talk, defaming words about another and especially any physical action towards another person."

It is our goal that EVERY student at Liberty feels safe and successful on our campus. We continue to follow previously identified safety protocols. Additionally, we encourage you and your students to maintain an open dialogue with us. We are always willing to hear and address your concerns.

To paraphrase our vision statement, we will continue to work to meet the educational needs of our student body; to develop the innate human potential of all students; to act as a liaison between the student and community at large; and to function as a positive change agent in the lives of the children we serve.

Sincerely,

Abigail Jennex
