Dear Parents/Guardians,

We wanted to let you know of some changes in process here at Liberty Junior/High School. Please take the time to review the following information so you will know the new expectations and how this affects your child(ren) and the school.

## **New cell phone number for after hour calls and all texting!**

**928-242-6659**

This number should be used for all text message correspondence to and from the school. If you need to text us regarding attendance or transportation, please start using this new number immediately. This number can also be used to leave messages for staff and directors after school hours and on the weekends. Please do not use any other number to contact the school via text or voicemail. During school hours, the best way to reach us is by calling (928) 402- 8024.

\*\*\*If Liberty needs to correspond with one or all parents via text, the message will be coming from the cell number **928-242-6659**\*\*\*

You will still find updates, school opening changes, emergent – urgent messages through our Facebook application or through our web site. Personal and confidential information should be shared in person, by email, through the land line (928-402-8024).
