Notice to Adult Program Students

In 2015, the Arizona legislature passed the American Civics Act (House Bill 2064). This bill will require students, beginning with the graduation class of 2017, to pass a civics test based on the United States Immigration and Naturalization civics questions. Students will be required to score 60% or higher in order to graduate from high school or obtain a high school diploma from the Maricopa County Education Service Agency and Arizona educators, has developed a mostly multiple choice version of the required test.

All students receiving a diploma after December 31, 2016, must pass this test including students enrolled in Liberty's Adult Program. The test must be taken on the Liberty High School campus under the supervision of LHS staff. Students may take the test at any time and may take it as many times as needed in order to obtain a passing grade. Arrangements for testing may be made with the Adult Program Coordinator.
